

Yearly Activities Report 2018-19

Quizinc, the official Quiz club of NIT Durgapur, brings a plethora of uniquely-themed and crowd-pulling quizzes every academic year, not only for the experienced quizzers but also for the ones who are new in the field.

Starting with its events in the odd semester, various quiz contests were held for the students, which include:

Gone Viral Quiz: A quiz on memes and anything that is trending in the great sea of the Internet

Qriosity: A specially designed quiz for the freshman year to introduce them to the world of quizzing.

India Quiz- Our first quiz on anything and everything Indian, right from Bollywood to cricket and Kashmir to Kanyakumari.

Screencast Quiz- A quiz on popular TV series and movies.

Sports Quiz- A quiz to satisfy all the sports aficionados.

Newspaper Quiz- Our version of an open-book test.

Apart from the seasonal Quizzes the club also hosts its annual quizzing contest - "**Quizzitch Cup**"

Quizzitch Cup lures the interest of quizzers all around West Bengal. Participants come from various schools and colleges across the state, to be a part of three days of rigorous quizzing.

The quizzes are hosted by renowned Quizmasters in the state, including Samanway Banerjee, Partha Sarathi 'Abarki', to name a few.

Quizzitch Cup 2019 was hosted by Mr. Syed Shakeel Imdad, a former alumnus of NIT Durgapur as well as a former President of QuizInc. Mr. Imdad hosted the following quizzes- India Quiz, MELA (Music, Entertainment, Literature, Art) Quiz, The General Quiz and Sports Quiz- all of which witnessed great participation from the students.

In Recstasy 2019, QuizInc organised four quiz contests- Bollywood Quiz, Sports Quiz, Food and Travel Quiz and lastly The Fool N Final Quiz.

Two other quizzes that are staples of Quizzitch Cup are the School Quiz and the Bihari More Education Project (BMEP) Quiz. While the School Quiz garners participation from several schools across Durgapur with the winners getting awarded with trophies and certificates, the BMEP quiz fosters a spirit of learning among the children who get awarded with school supplies and chocolates!

Every academic year, QuizInc also publishes its annual magazine - "QuizInk" which contains various interesting facts and figures in addition to a wide variety of topics encompassing a myriad range of topics about almost everything in the universe.

The club doesn't only span its wings to host intra-college events, but inter-college events too. It encourages students and its members to participate in various quiz competitions outside the college. It firmly believes that the exposure gained by participating in outside quizzes is very important and fundamental to the growth of the club.

QuizInc members represented our college and secured 1st and runners-up position in the Inter-College Quiz Competition held at CMERI, Durgapur during the Vigilance Awareness Week.

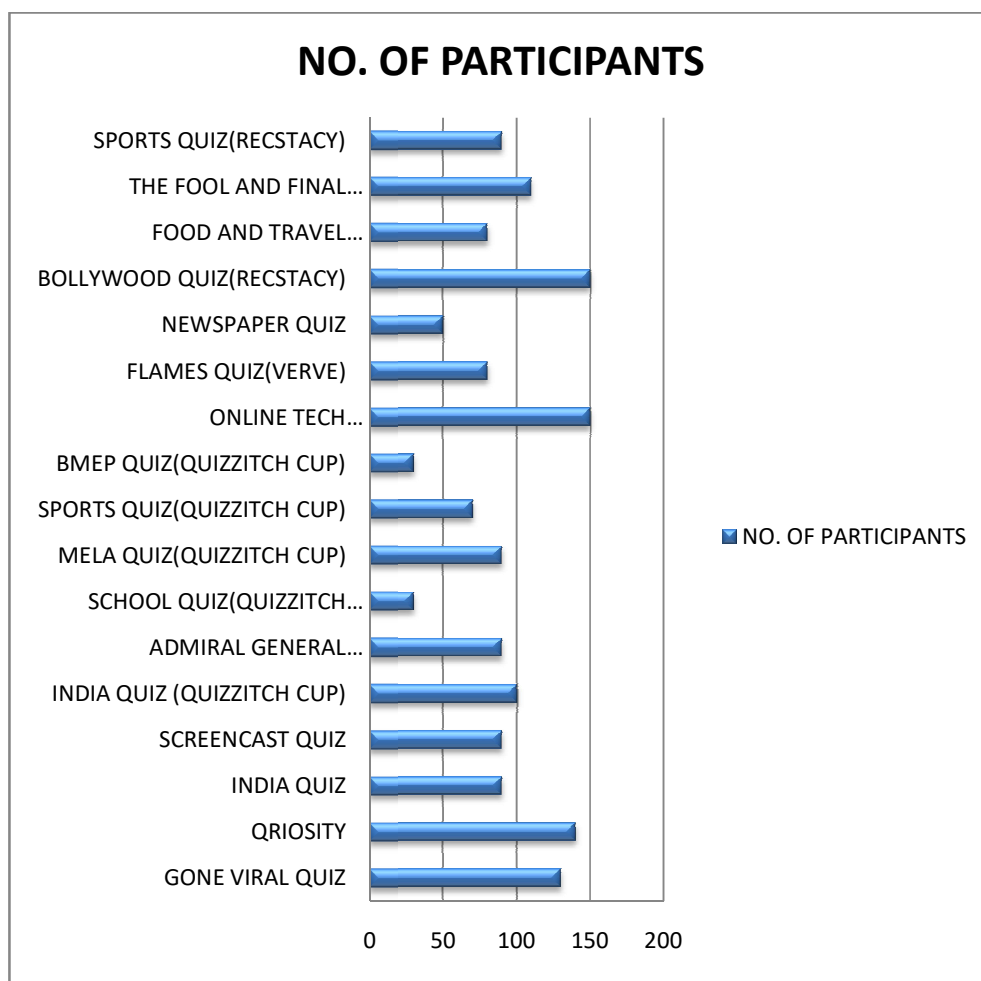

Our members have been participating in the quizzes held during the SpringFest at IIT Kharagpur and IIM Calcutta for the last couple of years.

Our members have also participated at the regional round of SBI Numero Yono Quiz held at Kolkata last year.

In addition to that we sent teams to the QFIESTA quiz and the Game of Thrones quiz.
